DEATH THREATS?

## DEATH THREATS MADE AGAINST FORTE FOR MAYOR TOMMY JONES

**“OUT OF RESPECT AND LOVE FOR MY TEACHER, MAYOR AND CLOSE FAMILY FRIEND, TOMMY JONES....I WIL ASK YOU YOUR NAME, CONFIRM YOUR IDENTITY, AND PROCEED, WITHOUT FURTHER WARNING, TO BEAT THE LIVING HELL OUT OF YOU WITH MY BARE HANDS UNTIL MY FIST ARE BRUISED AND RED FROM MY OWN BLOOD FROM HITTING YOU SO HARD.”**

(Quote from email of a person who identifies themselves as a Mr. Anthony Donaldson, Los Banos Citizen)

Attention any and all gutless wonders in Los Banos that are afraid to stand up to your public officials and the Los Banos Enterprise that are openly assailing my rights to conceal their own corruption against citizens.....you may from this day forward, kiss my butt.

Any citizens not wanting to be accused of being gutless wonders, I expect to stand up and be counted, not just give me lip service. You are obligated to do so as an American.

I have every intention of launching a full scale public awareness campaign to the nation to bring to light all Los Banos citizens that are standing by with their hands in their pockets similar to the gutless wonders that watched Jewish people being shoved into ovens.

What in the world do we have young men and women dying in foreign countries to supposedly protect foreign citizens from the tyranny of governments while right here in Los Banos, tyranny by our own government is taking place before your very own eyes. Talk about having our children die in vain.

I am going to let the words from allegedly a Mr. Anthony Donaldson speak for themselves, and the inaction of the Los Banos Police Department do the same. With that said, it is now about 5:06AM, February 25<sup>th</sup>, 2010, and I'm not going to take the time to editorialize about the events of the last 24 hours. Read the letters and emails for yourself.

Then ask yourself, if you were me, is there any reason why I should not, at 10:01AM, go searching for Mr. Anthony Donaldson to put him under citizen's arrest for delivery to the Los Banos Police Department if the LBDP does not take action to protect me and my family under the law?

It's certainly better that having me hire someone to put a bullet through his head, which I have no intention of doing, and having him dropped off at Whitehurst Funeral Chapel in a plastic bag. But, I assure one and all of this.....if I am approached and attacked on the street as promised by this

alleged Mr. Anthony Donaldson, or anyone else, I will not hesitate for a moment to snap his, or their neck, like a dry twig.

A year ago yesterday, I was arrested for saying "Pardon me, Mr. Padron" and had to post \$117,500.00 bail. The report in the Enterprise said that I had lunged at a judge. It did not happen. If you doubt that, ask yourself how in the world can I be out after allegedly attacking a judge on February 24th, 2009?

If you somehow justified a reason for such, you need to add that I was also arrested on July 21st, 2009 for allegedly obstructing justice at the Los Banos Courthouse and had to pay a felony bail of \$17,000.00. Unless you are a freaking idiot, you should realize that something just isn't right about this. If I did attack a judge, wouldn't it have been in the presence of eye witnesses? Why would all of the felony charges be lowered to misdemeanors?

Why haven't I been put on trial? Why have two Merced County public defenders refused to represent me with no explanation and a third has recently abandoned me? (See letter to William Davis, page 11). Why is a disqualified Judge Frank Dougherty handling my case when he cannot by order of Judge John Kirihara?

Do you think it could be due to the audio evidence I have that shows that Los Banos Police Officer Parker, along with California Highway Patrolman Melton and Erickson, and Merced County Deputy John Picinich attempted to destroy evidence at the scene of my arrest that proves my innocence?

As you read the threats from a person that identifies themselves as Mr. Anthony Donaldson that claims to be a student and close family friend of Mayor Tommy Jones.....ask yourself...do you think that Mayor Jones would put a student up to doing such?

Mayor Jones' campaign manager told myself and my wife Eileen, that the way that Jones won the re-election was because he paid high school students cash under the table (that was not declared on his finance sheets) to put out lawn signs and spread flyers. He also said Jones told the kids to make their parents feel guilty if they didn't vote for Jones.

As the campaign manager put it, "Jones knows that he is breaking the law but also knows that nobody is going to do anything to the kids he can hide behind."

Well, not this time, Tommy Jones. (The End)

Re: Demand for Immediate Arrest of Anthony Donaldson

Dear Los Banos Police Department:

I contacted you this afternoon immediately after I received credible threats of physical violence from a person by the name of Mr. Anthony Donaldson of Los Banos, California and provided you copies of emails printed off directly from my computer in the presence of Officer Paul Llanez and at his request at approximately 6:30PM or thereabouts.

I then requested that Mr. Donaldson be arrested for my protection. At approximately 8:00PM or there about I contacted your offices to inquire of the status of the arrest and was told that an officer would call me back.

I then received a phone call from Officer Bowling who said they were trying to locate Mr. Donaldson to discuss the matter of the emails with him. I told Officer Bowling they could discuss the matter with him all they want provided that Donaldson be put under arrest.

Officer Bowling said they were having difficulty in locating an address for Mr. Donaldson. I suggested he immediately contact Mayor Jones based upon the information in the emails where Donaldson states:

“Mr. Forte you are lucky I was not at this meeting because out of respect and love for my teacher, mayor, and close family friend Tommy Jones...”

I also told Officer Bowling that I found that Donaldson appeared to play for the Los Banos Tigers and that he could contact the football coach Gary Carapreso. I believe that his number is #23

I then later called back and left a message for Officer Bowling that I also did an internet search from the information in Donaldson's email and found that his teacher was Ms. April Latta .

It is now 9:01PM and I have not been informed yet as promised by Officer Bowling that when he had Mr. Donaldson in custody he would give me a call, which leads me to believe that incredibly Mr. Donaldson has not been arrested yet.

The admitted and promised to be assailant who in his own words said that he would cause me so much injury that I would never be able to speak again is still at large. Outrageous and not providing me equal protection under the law.

It is tormenting and I physically feel my chest muscles tightening as they did prior to my heart attack in having to think my family are being submitted to this denial of protection under the law.

I don't know if you Mr. Forte are a man of God but I do know for a fact that if Tommy Jones was not the Christian he is, and is ignorant as you make him out to be, he would have leaped from his chair and served you the beating you deserved. You have some nerve. My wife now fears me going out of the house, as well as for herself and our children.

My home address is well known from me speaking at the forums that Donaldson said he watched.

I have suggested that you contact Mayor Jones who is supposedly a close family friend of Anthony Donaldson to obtain his location.

I have not heard yet that Donaldson has been arrested so again it indicates that he has not yet been done..

I warn you now, that if you contacted Mayor Jones as I requested and is required of you to locate my would be assailant and Jones either did not tell you, or said he didn't know, you are putting me in danger and so his Jones.

I will also say that if you did contact Jones as you should have already

and Jones did not provide you information which he reasonably knows, then I suspect that he could be contacting Donaldson to tell him what is going on.

Therefore, if this would be assailant feels the heat is on and he has the blessing of the Mayor of Los Banos I could expect him to come pounding on my door or breaking into my house to try and do harm to mysloef and/or family in the process.

I request that you please contact me immediately to inform me what is taking place for my safety and protection.

DO NOT LEAVE ME IN THE DARK.

**Subject:** Denial of Equal Protection Under the Law

**Notes:** You informed me tonight that Chief Knapp told you not to arrest Donaldson. The reason given by you was because you could not be sure if someone had used Donaldson's email.

I suggested that you go to his house where you know he is and ask him if he sent the e-mails in question. If he answer yes, you arrest him, if he answers no, well, you don't have to arrest him, but he would then be submitted to lying to a police officer if you do find out that he did send the emails.

You said the other reason you would not go out and arrest him was because you stated that no where in his e-mails did he say that he would only assault me, or kill me in the street.

You are incorrect based upon the following e-mail of Donaldson,

"instead I hope everyday that I see you because my fists are burning to meet your knose, jaw, eyes, forehead, and cheek bones, and I hope for your sake that you read this or someone reveals this to you so you can prepare and be ready for the fury I will unleash upon you on sight.

I put my life on it. No matter where it may be... no matter who you are with... no matter who is present..."

"On sight" means that if I was in my front yard I could be attacked.

"No matter where it may be...no matter who you are with..no matter who is present" means that I could be in my front room if he saw me walk into my house, on the street in front of the house, etc.

The two statements above have no limitation as to where I could be attacked and/or killed by Donaldson.

For the record, you have violated your oath to provide protection to me based upon your own lack of integrity and following like a blind concentration guard orders that are in contradiction to your duty to serve me as a citizen.

Re: Denial of Equal Protection under the Law/Demand for Immediate Arrest of Anthony Donaldson

Dear Chief Knapp:

I refer to the previous correspondence of February 24<sup>th</sup>, 2010 wherein it is documented the events that led up to you and Commander Brizze refusing to arrest Mr. Anthony Donaldson who made what are tantamount to repeated death threats upon my person wherein he states "out of respect and love for my teacher, mayor, and close family friend Tommy Jones, I would knock you so hard you would become color blind and lose your ability to speak".

Your inaction has now caused what appears to be a young man with some very serious mental problems to romp through the evening boasting to his friends as to how he was able to make direct death threats (using his own name with picture included) without the slightest concern over action by the LBPD to protect me and afford me protection under the law.

I had informed your Officer Bowling that the wording in the threats coincides eerily with similar statements made by Jones during his deposition which caused Jones to be found guilty of breaking Conflict of Interest laws with the Fair Political Practices Commission. Donaldson's emails also contain remnants from the commentary titled "Mayor Jones Owed an Apology" by Mr. Gene Lieb, editor of the Los Banos Enterprise.

Donaldson also makes sure to state in his emails that he would attack and maim me to the point of sending me back to another life in the presence of anyone, anywhere, at anytime. The statement reflects that he is referring to the inaction of your predecessor Chief Fitchie who allowed reporter Mr. Corey Pride of the Los Banos Enterprise to physically assault me without arresting him in Chief Fitchie's presence.

What you have done by not immediately taking action cannot be reversed. You have put me and family in danger by letting Donaldson think, even for an evening, that I and my family can be attacked at will with no protection from law enforcement.

With that said, I am giving the LBPD until 10:00AM today, February 25<sup>th</sup>, 2010 to confirm to me that Mr. Donaldson has been arrested. If I have not received such confirmation that such has been done I shall then avail myself under my right to enact a lawful citizen's arrest upon Mr. Anthony Donaldson and use whatever force is necessary to deliver him to your station or the nearest law enforcement officer.

Since you are not providing me protection under the law I will use the law to protect myself.

Sincerely,

Gene Forte

Mr. Davis:

This will follow up my unsuccessful attempts to reach you at your office by phone on Friday, February 19, 2010, and on Monday, February 22, 2010, and confirm that you did not respond to the messages I left for you on either date.

This will further follow up my email to you over three weeks ago, at Mr. Forte's request, dated February 1, 2010, seeking your prompt response to Mr. Forte's email letter to you almost four weeks ago, dated January 28, 2010. To date, you have not responded to Mr. Forte's letter, or to my email, or to my phone calls.

More importantly, you have not provided answers to Mr. Forte's longstanding questions about his referenced criminal case in which you are his attorney of record; nor have you provided the promised report from your investigator, Mr. Hazeltine; nor have you provided your promised assistance for his opposition to the vexatious litigant motion filed against him in *Forte v Jones*; nor have you provided the requested declaration discussed in his January 28, 2010 email letter.

But most importantly, and of greatest concern, Mr. Davis, is that beyond being non-responsive to Mr. Forte's communications and to mine, you have completely and utterly failed to timely and reasonably update and inform Mr. Forte on the status of the criminal case against him. Mr. Forte has reasonably concluded you have simply abandoned him as his client, without any formal notice, motion to withdraw as counsel, judicial approval, or adherence to your ethical, legal, or professional obligations. Notwithstanding this apparent abandonment, Mr. Forte is demanding that you immediately provide him with a current, detailed and complete update on the status of his criminal case.

It is imperative that within the next 48 hours you confirm or deny that you have abandoned Mr. Forte as your client in the subject criminal matter, and in that regard, provide Mr. Forte with a true statement of, (1) your intentions in this matter; (2) your present status as Mr. Forte's attorney in the subject criminal matter; (3) the formal steps, if any, you have undertaken to withdraw as attorney of record for Mr. Forte; and (4) the concrete steps you have taken to fulfill your ethical, legal and professional obligations as attorney for Mr. Forte in this matter.

Mr. Davis, if you do not respond as requested, within the next 48 hours, Mr. Forte has indicated he will have no choice but to immediately pursue *all* legal remedies available to him.

Your full and timely response is anticipated and expected.

**LBPD HAS REFUSED TO ARREST DONALDSON. IT IS LB HIGH SCHOOL STUDENTS PLAY ACTING AS CORRUPT LB COPS.**

The above picture was taken directly from a YouTube link ( <http://www.youtube.com/user/Donaldson2110>) embedded in the email sent from a person who identified themselves as Donaldson2110 . The movie depicts two Los Banos Police Officers coming to the house and being let in by Reverend Donaldson (pictured on right) and the other individual sitting on the left. After inside the house, the two officers toss two bags of what is supposed to be marijuana and cocaine in front of Donaldson and the other person. Thereafter, they arrest the two for possession of drugs. The end credits list a Anthony Donaldson Bates as the Reverend Donaldson.

The story line should sound familiar to Los Banos residents. Mayor Tommy Jones was arrested for the possession of crack cocaine when a city councilman in 1999. Jones filed a lawsuit against the City of Los Banos and the Los Banos Police Department alleging that the cocaine was planted on him. Ex-DA and embezzler Gordon Spencer decided not to press charges for the possession of crack cocaine setting Jones up for an easy pay out of \$75,000.00 by settling the case out of court. Ask yourself, do you think Spencer could have worked out a deal with Jones to get a cut of the money? I do!
