**Notes:**

You were informed yesterday after contacting me about Mr. Galloway that he would make himself available on either September 25 or 26th, 2008. I would also make myself available to either precede or follow his deposition on such dates in Los Angeles.

The letter I sent you yesterday was in response to your false statements that Mr. Galloway had been avoiding you. I attached two copies of letters from him showing that you were being far less than truthful.

I am not available for October 8th or 9th. Mr. Galloway has said that he is averrable for September 25th or 26th, 2008 and I am only available on those dates if it take place in Los Angeles.

Mr. Galloway told me this morning that he informed you that he would not be available in October I was not available.

You are making this matter far more complicated than it should be.
