Let me get this one Barracuda.

Mrs. Cox in your statement it says exactly what I quoted, \$85,000. Let me tell you what I don't appreciate. I don't appreciate people entertaining racist newspaper publishers at their place of business. Yeah I heard about that one.

You do your job. I won't tell you how to do it. I'll do my job and I'd appreciate you not telling me how to do it.

I'm calling this one down the middle. I'm not advocating for you and I'm not advocating for the three amigos you hate so much.

And know this, I'll be respectful but I will not kiss ass. Yours and anybody else's.

Try to intimidate somebody else.

This comes from
Corey Pride, and only Corey Pride

What are you talking about? Who is the racist newspaper editor. Gene Lieb? No Gene Did not come into my office. And I did not "entertain" anyone yesterday. People came into the office and signed.

Maybe you and norm ought to get a life!

You know who I'm talking about and you know it's not Gene. And yeah the guy was there Friday night. My question is in a private business how come you didn't say, "Sorry you're not welcome, there's the door?"

I was attacked for reporting the news. But beyond that you're correct. Mrs. Cox can do whatever she chooses. Mrs. Cox I apologize you're well within your right to hang out with whatever scum of the earth you want to. I still don't appreciate it, but by all means continue whatever associations you like.

Let's get something straight. I'm a man, not a child. In case you missed it let me

reiterate. Mrs. Cox has the right to hang with whatever scum of the earth she wants to. I, Corey Pride, the man, the black man, don't appreciate her choice of companionship. But as Larry said, it's her choice.

That's really nasty stuff you posted about my journalistic integrity. And yeah I know who was there cause I'm good at what I do. Mrs. Cox I don't like you trying to intimidate me. That may work with some people, it does not work with me. I try not to have coffee with racists so I would not have stayed if I had shown. I suggest you don't have coffee or anything else with racists either from now on. But, for the third time this thread I'll say "It's your choice."

But know this: Right is right and wrong is wrong

And that does not change, ever!

Corey Pride said you spent Friday night with a known racist and Corey Pride does not appreciate it. That's what I said.
