I never did. Actually I didn't and still don't care what Cory thinks. Lol
But Maria Borba and Becky and Dave Jones did. That is why they were so weird
to you at the park.

Hi Caryn,

How are you doing? Well I hope.

Just a quick question.

I have been reviewing the thread between you and Cory Pride on Our Los
Banos.com from a few years ago when he said he would not come by your office
to interview you for the LBE concerning the recall effort of ex-Mayor Tommy
Jones because you allowed me to come to your office and that I was a known
racist publisher, etc..

I also noticed that a few other posters that were part of the recall process
said they avoided being around me at the park (when they were getting recall
signatures) so as not to alienate Pride or the LBE.

Did you, or any of those involved with the recall at that time feel that if
you associated with me, or were seen with me, that Pride would not print
information about the recall, or try to malign you more as he did in the
posts when Eileen and I dropped by your office?

There are no hard feelings if such were true.

Thanks.
