Let me get this one Barracuda.

Mrs. Cox in your statement it says exactly what I quoted, \$85,000. Let me tell you what I don't appreciate. I don't appreciate people entertaining racist newspaper publishers at their place of business. Yeah I heard about that one.

You do your job. I won't tell you how to do it. I'll do my job and I'd appreciate you not telling me how to do it.

I'm calling this one down the middle. I'm not advocating for you and I'm not advocating for the three amigos you hate so much.

And know this, I'll be respectful but I will not kiss ass. Yours and anybody else's.

Try to intimidate somebody else.

DEAR CORY

Are you saying the known racist is Gene Forte, the publisher of the Badger Flat Gazette?

THE LOS BANOS ENTERPRISE' BLACK SUPREMACIST: COREY PRIDE?
by Gene Forte

I'm not sure if Pride hates all white people, or just me. I know that he has never spoken to me to get my side of the story on anything he writes about me, or in articles that he coyly refers to me without mentioning my name. When Pride wrote about watermelons being thrown at Mayor Jones house he mentioned it happened a few months after Jones had been called a lying nigger at a council meeting. When he wrote about my two separate felony arrests for supposedly attacking a judge he never spoke to me, or did a follow-up telling citizens that I was charged with only a misdemeanors. When I speak at Council meetings he walks out to indicate nothing I say is important to citizens, such as my accusing Jones of having a student deliver death threats to my family. Jones in deposition said he never listens to me at council meetings because as a person I have no value. Prides personal comments to Ms. Cox, reveal his hatred of me that is reflected in his bias reporting. Go to BadgerFlats.com to see more.

Reporter subject of complaint

Resident claims he was assaulted

ENTERPRISE STAFF REPORT

A police report was filed following Wednesday night's City Council meeting in which a Los Baños resident claims to have been assaulted by an employee of the Los Baños Enterprise.

Local resident Eugene Forte, publisher of the Badger Flat Gazette, alleges in the report he was assaulted by Enterprise reporter Corey Pride as he attempted to interview Pride inside the council chamber following the Wednesday meeting.

Pride was not arrested but was interviewed by police Thursday morning at the Los Baños police station.

Police officials said the report will be forwarded to the Merced County District Attorney's Office once it is completed.

Pride has been employed by the Enterprise since November, 2004.

LOS BAÑOS ENTERPRISE

OUR VIEW

Mayor owed an apology

GENE LIEB

That Eugene Forte, the publisher of a local newspaper, should stand at a televised public meeting and call the mayor of Los Baños the "N" word is abominable.

The word is beyond disparaging, beyond reprehensible. It is the ugliest, most hurtful word in the English language and holds the full measure of the hatred and bigotry of which this country has been trying to rid itself for generations.

What is even more disturbing than Forte shouting the word in public is that not a soul attending Wednesday's meeting, including the other members of the City Council, stood at the podium and specifically condemned it. Does that mean everyone agreed with Forte's remark? Were they intimidated by Forte's demeanor? What reason could they have for not publicly objecting?

It doesn't matter what one may think of mayor Jones' politics or of him as a person. No one deserves to be called such a name - no one.

Sure, Forte has the right to use such a word but he should be ashamed of himself for doing so. No matter what he thinks of Tommy Jones or the status of his lawsuit against him, he owes the mayor a public apology. So do the rest of us who said nothing to condemn the outburst.

Mr. Mayor, please accept our apology.
