Hello counsels,

As a professional courtesy, you will find attached **Document 265** which is an **AMENDED REQUEST FOR INVESTIGATION BY SENIOR JUDGE ANTHONY ISHII OF OVERT PREJUDICE BY MAGISTRATE MCAULIFFE (DOCUMENT 263)** filed today.

I also wish to say that I agree with Rayma's statement made during oral on September 19th, 2014, that,

"I (Rayma) have fallen down a rabbit hole".

I now only quizzically wonder if any of you know how deep that rabbit hole goes?

I do profusely apologize for any inconvenience that I may have caused for you valiant officers of the court.

Best regards,
